WELCOME!

Welcome to the ANAPHI monthly newsletter. This newsletter is sent out to the ANAPHI members on the last Wednesday of every month (apologies for the lateness of this particular newsletter). The aim of the newsletter is to provide up to date information to members regarding ANAPHI current business; relevant DoHA news, information and updates; conference, workshops and seminars of interest; new and innovative work in Public Health Education; and much more. If you wish to contribute to this newsletter please send through your item to the secretariat, **Penny Bisset**, by the **Friday** prior to the newsletter being sent out.

In this newsletter.....

Fax - 03-9479-1783

School of Public Health Reception - 03-9479-1740

NEWS FROM THE ANAPHI SECRETARIAT**Memberships Fees**

In past fortnight invoices for the ANAPHI membership fees have been sent to all member organisations. If you are have any queries regarding these invoices, and around paying them please

do not hesitate to contact myself, Penny Bisset, via e-mail or on 03-9479-5085. One particular issue that quite a few organisations have encountered is with regards to paying fees using a Credit Card. The central finance website here at La Trobe University instructs payees that anything over \$1000 can not be paid by credit card. If you wish to pay by credit card please contact the following person and they will enable you to do so:

Jillian Fox, La Trobe University Finance – 03-9479-2100

ANAPHI Teaching and Learning Forum – November 22nd 2006

Registration forms and current program (draft) for the day will be sent out prior to the end of the week. Please complete the registration forms as soon as possible and return to the secretariat. Please note – the registration form will be for all 3 events:

- * Teaching and learning forum (22nd November)
- * Further consultation about quality agenda (morning of 23rd November)
- * ANAPHI face-to-face meeting (afternoon of 23rd November)

This event will be a free and fully catered event. It is predominantly for ANAPHI members, but is open to anyone. If you feel that you'd like to pass on the details of the forum when they are sent to you feel free. Also, here is venue details of the venues for the two days:

22nd November 2006 – Union House, University of Melbourne
Website - <http://www.functionsatmelbourne.com.au/>

23rd November 2006 – La Trobe University Franklin Street Campus
Website - <http://www.latrobe.edu.au/city/franklinst/franklinst.htm>

Submitted by Professor Richard Taylor, The University of Queensland

CCPH's 10th ANNIVERSARY CONFERENCE

Community-Campus Partnerships for Health is convening their 10th anniversary conference, April 11-14, 2007 in Toronto, to nurture a growing network of community-campus partnerships that are striving to achieve the systems and policy changes needed to address the root causes of health, social and economic inequalities. The conference, "Mobilizing Partnerships for Social Change," seeks to build knowledge, skills and actions for achieving healthy and just societies.

For more information please go to the following website - <http://www.ccph.info/>

**Workshop - Early Career Health Services Research
13 November 2006**

**Room B518, Level 5, Block B, Building 5
UTS Graduate School of Business, Haymarket Campus
1-59 Quay Street**

The HSRAANZ is a not for profit Association which provides a unique opportunity for communication between health services researchers and researchers and policymakers. The aims of the Association are to encourage and promote the development and conduct of health services research, in order to promote improved health services delivery and improved health.

To coincide with the HSRAANZ Annual General Meeting to be held at 4.30pm on Monday 13 November we are running a free workshop on early career health services research. The workshop will be of interest to students and emerging health services researchers and their supervisors and is

open to members and non members of the Association.

For further details please see attached document.

**School of Public Health, Queensland University of Technology
Brisbane, Queensland, Australia**

Eleventh International Health Summer School

The School of Public Health, Queensland University of Technology, is pleased to invite delegates to be part of this stimulating and challenging week of short-courses, workshops and symposia. The International Health Summer School has a proud tradition of presenting meaningful and practical programs that aim to equip academics, practitioners and community members with real world skills and knowledge. It offers an invaluable opportunity to gain current industry knowledge and explore new trends in public health. Programs, that encompass a broad range of interests, will be presented by well recognised keynote speakers from various international and national organisations.
